SPECIAL CONDITIONS

1. The annual service charge applies to service during the 12 month period commencing January 1 and is due in advance. If a permanent resident of the area has been a customer of the utility for at least 12 months, the resident may elect, at the beginning of the calendar year, to pay prorated service charges in advance at intervals of less than one year in accordance with the utility's established billing periods.
2. The established billing cycle for water used is monthly.
3. The opening bill for metered service, except upon conversion from flat rate service, shall be established after the first day of any year, the portion of such annual charge applicable to the current year shall be determined by multiplying the annual charge by one three-hundred-sixty-fifth (1/365) of the number of days remaining in the calendar year. The balance of the payment of the initial annual charge shall be credited against the charges for the succeeding annual period. If service is not continued for at least one year after the date of initial service, no refund of the initial annual charges shall be due the customers.
