

Rule No. 3

APPLICATION FOR SERVICE

(Continued)

D. Use of Water Without Application for Service Having Been Made

Any person or firm taking possession of and using water without having made application to the Utility for service, shall be held liable for the full amount of the service rendered.

E. Service to a Tenant

No tenant applying for residential water service shall be required to pay charges or penalties on account of nonpayment of charges by a previous tenant. The Company may; however, require that service to subsequent tenants be furnished on the account of the landlord or property owner.

F. Application for Restoration of Service Following a Declared Disaster or Other Catastrophe

When an applicant seeks to restore service to a connection following a natural or man-made disaster or other catastrophe, and where individual connections are required by the State Water Resources Control Board, County Health Department, or other governing agency to be tested for certain contaminants, the Utility will collect a deposit from the applicant sufficient to cover the cost of such testing, to be refunded to the applicant upon commencement of service.
