

**DEL ORO WATER COMPANY – River Island District**  
**WATER EMERGENCY**

**Notice of Stage 2 MANDATORY Water Conservation and Restrictions**  
**Including Restricted Watering Days**

Del Oro Water filed an Advice Letter No. 541 with the California Public Utilities Commission (CPUC) to activate Stage 2 in its Schedule 14.1 Water Shortage Contingency Plan with Staged Mandatory Reductions and Drought Surcharges.

**Due to the catastrophic flooding of the Tule River in March two wells were totally destroyed with an additional three wells needing rehabilitation which is ongoing. Del Oro Water is REQUIRING its customer's assistance in water conservation efforts below. Failure to comply will result in continued daily outages and more severe curtailments of water use in future days.**

Del Oro Water Company, River Island District is required to observe **Schedule 14.1 Stage 2** restrictions:

- **Customers are limited to outside watering to three (3) days a week. Irrigation is prohibited during the hours between 8:00 am and 6:00 pm.** Please see the back of this notice for your watering days.

**Customers are required to observe the Schedule 14.1 Stage 2 restrictions as shown on the back of this notice.** Schedule 14.1 is available on DOWC's website at:

***[www.delorowater.com/schedule14.1.html](http://www.delorowater.com/schedule14.1.html)***

Please remember that the following are ALWAYS prohibited:

- The application of potable water to landscapes in a manner that causes runoff to other areas
- The use of a hose that dispenses potable water to wash any vehicles, aircraft, or trailers, except where the hose is fitted with a shut-off nozzle
- Using broken or defective plumbing or irrigation after DOWC has notified you to repair it
- Using outdoor irrigation during and 48 hours following measurable precipitation
- Using potable water in decorative water features that do not recirculate the water
- Using potable water to wash sidewalks & driveways

Del Oro will continue to notify customers (usually via a door tag) as soon as we are aware of any leaks that are the customer's responsibility to repair. As per drought requirements, customers will have only **five (5) business days to repair leaks**, unless other arrangements are made with DOWC.

Please visit ***[www.delorowater.com/drought.html](http://www.delorowater.com/drought.html)*** to report waste of water, and for the most current information about prohibited water uses, other unauthorized water uses, and mandatory outdoor irrigation restrictions, as well as conservation resources. We encourage you to take advantage of the many conservation resources available on our website to save water.

Conservation information provided by the State of California can be found on the Save Our Water website at ***<https://saveourwater.com/>***

**MOBILE HOME PARKS and OTHER PROPERTY MANAGEMENT:** Please share this information with residents who may not have received this notice directly. You can do this by posting this public notice in a public place or distributing copies by hand or mail.
